

INTRINSIC
EXECUTIVE SEARCH

Job Description

“Global Vice President Marketing”

Location: London, UK office with some international travel

Enterprise SaaS – 150 Person business

Highly competitive base, commission and stock options

Overview:

We are working with a high-growth European Headquartered Enterprise SaaS firm hiring looking for a “Global Vice President of Marketing.”

The company has recently received further VC funding and employs around 150 employees globally.

This is very much a hands-on Marketing Leadership position with initially **5 reports.**

Solutions and focus:

The company is a market leader of SaaS solutions sold into mainly Marketing and Procurement Executives. The Enterprise solutions can be sold into different verticals, but the main verticals include:

- *International Manufacturing firms*
- *Higher Education*
- *Retail*
- *Pharmaceuticals*
- *Test & Measurement*
